

FOR THE LOVE OF SEWING

ProStitcher Premium

Software Update Beta Version 00.00.2391

We are continually making improvements to ProStitcher software.

Changes addressed in this release are as follows:

- Resolved issue: Corrects stitch-out speed for first and second generation machines (Crown Jewel, Crown Jewel II, Crown Jewel III).
- Improved response toggling between engage/disengage motors or lock/unlock motors.
- Improved tie-off performance for Crown Jewel, Crown Jewel II, Crown Jewel III.
